Make an **Impression** with the First Step

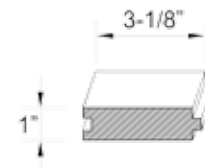

Give your home an iconic look with PORCH by Inteplast. Bring traditional charm, elegance, and style to your doorstep, while you sit back and relax in the cool evening breeze.

Form and Function

Inteplast's advanced PVC technology provides the ultimate protection against the outdoor elements. Our PORCH's unmatched outer capstock layer is engineered for beauty and durability. Plus, it's truly reversible with Oak and Cedar grains, which gives you more options to create that great first step into your home!
