### No Wood, No Worry

At Inteplast, we're always looking for new ways to make life at home a little more beautiful. We offer homes a durable and high performing finishing solution. With our Exterior PVC Moulding you can expect:

#### A beautiful finish

We have perfected a wide range of Exterior PVC Moulding profiles with a uniform matte finish that are ready to be worked with and installed with standard woodworking tools.

#### Ultra-low maintenance

Our Exterior PVC Moulding performs so you don't have to. Resistant to rot, termites, and moisture means you won't have to waste your time on maintenance.

#### Guaranteed quality

Confident in our finishing technology, we're happy to offer a Lifetime Limited Warranty on our Inteplast Exterior PVC Moulding. Enjoy your home...worry free.

# CLEAN CHARACTER

Create old-world charm with modern building materials while protecting those exposed areas with a high performing wood alternative.
