## Product Information

### Perfect Accent to any Room

When this combination of Beaded Planking, Chair Rail, and Baseboard is integrated into design plans, it transforms the flat features of a wall by adding detail and aesthetic interest. Our low maintenance mouldings are resistant to moisture, making them ideal for bathroom, basement, and other areas where moisture is a concern. Inteplast PVC Moulding products are covered by a Lifetime Limited Warranty, allowing you to add stylish finishing touches to any home with confidence.
